

## SureStrip® hCG One-Step Pregnancy Test

Be confident... Be definite... Be sure

SureStrip® hCG is a simple test for the detection of hCG in urine as an aid to early confirmation of pregnancy. SureStrip® hCG provides a clear positive or negative result in just 3 minutes.

SureStrip® hCG has proven accuracy of over 99% and can detect pregnancy as early as the first day of a missed period. It requires minimal training to use and has an inbuilt procedural control to show that the test has been performed correctly.
